Videos

Your choice of DVD or Blu-ray*

Pro Quality / Free Title / Chapter Thumbnails printed on case sleeve and in screen menu. Master kept on file permanently for copies.

DVD & Blu-ray transfer available.

* Blu-ray requires a Blu-ray player. A Blu-ray holds about 5 times more content than a DVD.

PLEASE VISIT WEBSITE FOR LATEST PRICES

Slides

High resolution 3000dpi scans.

Slide show includes music background and scans include ICE digital dust spec removal, color correction and high res photo version files that can be used for printing. We offer two different price & turnaround times. Please visit our website for more info and latest prices.

10% Quantity discount on 500 or more slides

8/16mm Films

We offer 8mm and 16mm movie film transfers to DVD. Transfer includes an instrumental music background (if your film has sound we transfer that also) and a custom title of your choice. Visit our website for more info & latest prices.

10% Quantity discount on 5000 feet and more

Audio Cassettes

We transfer audio cassettes to a standard music CD type or mp3 files on a data mp3 CD. Visit our website for more info & latest prices.

We can also transfer older media such as floppy and zip disks. Contact us for more info.

VISIT OUR TRANSFERS WEBPAGE FOR MORE INFO

DVD & Blu-ray copies available at time of transfer or later date.

TRANSFER YOUR MEMORIES TO DVD, BLU-RAY & CD TO PRESERVE THEM FOR FUTURE GENERATIONS!
